Parent & Guardians of the DHS Class of 2011 (current 9th graders)

- Starting Monday, January 16, 2008, parents and guardians of the Class of 2011 (current 9th graders) may start signing up for the DHS Class of 2011 Listserver sponsored by DHS PTA. The sign-up in January will allow adequate time

to participate in the "Questions and Answers" via the class listserver with DHS counselors, regarding the 2008-09 student program planners after the Incoming Sophomore Parent Information Night on February 13 and 14th. Families interested

in enrolling at Da Vinci are also welcome to join since Da Vinci students will be concurrently enrolled at DHS and may also have access to valuable information at DHS.

- Please visit to the DHS PTA website <http://www.dhspta.org/pta/listserver/dhs2011> beginning January 16, 2008 to subscribe to your parent class listserver.

- The class parent listservers (commonly known as "class listservers") have proven invaluable for parents throughout their student's high school years. They help promote communication among PARENTS/GUARDIANS OF THE SAME GRADE regarding

class-specific issues, activities and concerns. They can also be used to disseminate information from DHS counselors and administration. The unmoderated

forum is ideal for the more experienced parents to offer assistance to the newcomers.

- As a way to help the incredibly busy DHS counselors efficiently respond to as many parents' questions as possible, your class' Listserver Administrator Melissa McDaniel, an experienced DHS parent with an incoming sophomore, will assist them by facilitating Questions & Answers through your class listserver. Melissa will organize the parent questions, eliminate repetitions, then e-mail

the pertinent question and counselors' responses to all parent subscribers via the class listserver. You may access the DHS PTA website now at <http://www.dhspta.org> to acquaint yourself with DHS communications.

- Thank you very much, Dorothy Yerxa, DHS PTA Listserver Coordinator
